Once Upon a Time

Willow Class - Year 1 Term 3

Key Texts

Key Learning (Geography)

We will:

- Create maps based on traditional tales using our knowledge of aerial views.

Key Learning (Science)

We will be:

- Describing the simple physical properties of a variety of everyday materials.
- Comparing and grouping together a variety of everyday materials on the basis of their simple physical properties.
- Asking simple questions and recognising they can be answered in different ways.
- Performing simple tests (which materials are waterproof).
- Use our observations and ideas to suggest answers to questions.
- Identify and classify.
- structure can be made from two identical fabric shapes.

Key Learning (DT)

We will:

- Join textiles together by sewing to create a traditional tale hand puppet.
- Investigate making a product stronger when building a bridge for the three billy goats gruff.
- Learn different ways of joining materials to make Hansel and Gretel's house.
